

# Better for Earth, Better for Business.

## Introducing the **Eco Series Green Whip and Eco Series Professional Chargers**

-  **Eco Series System saves over 10%** in food costs by providing the highest volume solution for whipping fresh cream
-  **Eco Series System whips with low climate impact** – lower than aerosol cans & whipping machines
-  **Eco Series Chargers are 100% climate neutral.** Use and transportation are entirely climate neutral through factory initiatives and emissions compensation projects
-  **Powerful** enough to whip up plant-based toppings
-  **Legendary iSi innovation and quality** from Vienna, Austria

**Creating a  
flavorful and  
sustainable  
future**
